

# TOTALLY WORKWEAR BOOTBUS OFFER ONSITE SERVICE CALLS

It really sucks when that hole in the boot you've been ignoring for months finally gives way and you're forced to struggle on till the end of play with half a toe hanging out. Well, now you don't have to.

Whereas in the past you might have buggered off to the nearest workwearshop – which might be many clicks away – now you can call the Totally Workwear Boot Bus. They'll drive out to

your work site with a brand new pair of boots in your size – saving you valuable time, and a dressing down from the boss!

The Boot Bus operates all over the Gold Coast – from Yatala to the Tweed – and is stuffed with essential workwear items such as safety sunnies, hi vis vests, sunscreen, gloves, hard hats PPE gear and safety signs, so you'll never have to go without again.

It's the convenient way to keep your kit up to date.

Until the end of April the Boot Bus is giving a way one slab of beer every week to a lucky tradie who fills out a form at the Totally Workwear shop asking the Boot Bus to come and visit.

So don't stress the next time your hardhat goes missing – call 07 5597 2488 instead, and get the Boot Bus to deliver straight to you!
